## COMMANDER'S MESSAGE

Greetings, Bernard L. Tobin Legion Family. Debbie and I hope that you and your family had a happy Holiday Season and we wish you all a Happy and Prosperous New Year in 2019!

In the upcoming months we will be hosting our annual Super Bowl Party and Dinner

Dance in February, and our Bull, Shrimp, and Oyster Roast on Saturday, March 2, 2019. Also, in March we have the pleasure of hosting The American Legion National Commander Brett Reistad at this year's Department of Maryland National Commander's Banquet on Saturday, March 23, 2019, followed by the National Commander's Breakfast on Sunday, March 24, 2019. I hope that many Post 128 Legion Family members can attend one, if not both, dates and help offer our hospitality to everyone. We are looking for volunteers to help make our Bull, Shrimp, and Oyster Roast another successful event.

We are leading the way in serving our veterans and their families. One example is with our own Post Chaplain, Rev. Lewis Geigan. He, along with other chaplains from Harford County, is providing veterans at Upper Chesapeake Hospital with new program called Spiritual Care Services, which is an outreach program at both the University of Maryland and Upper Chesapeake Medical Center hospital locations. This visitation program honors those who served by giving veterans homemade prayer shawls/blankets from local churches and commemorative lapel pins for those who served during the Vietnam War. The program provides companionship for

## PRESIDENT'S MESSAGE

Greetings Ladies,

Well another year is now over and I'm excited as I reflect back over the last several months of our Auxiliary's commitment to our Legion, Veterans, Children and Youth and the Community. We have been able to contribute our services to each of them.

From wrapping Christmas gifts for Veterans families to playing bingo with our Veterans at Perry Point Hospital. By seeing the excitement and smiles of the children as they received a present from Santa at our annual Children's Christmas Party. Helping with the Shop with the Cops for the kids to make their Christmas wishes come true. To placing Christmas Wreaths on our departed Veterans grave sites.

We also had a very successful Sip & Paint Night. A fun time was had by all and the Ladies & Gentlemen were surprised at their artistic abilities. A big thank you to Lisa Gale who donated her time and supplies and taught us (to our surprise) how to paint. We are planning another Sip & Paint Night in the Spring. Come and join us and you'll learn you can also paint.

We, the Auxiliary, have had fun, touched people's lives and that's what it's all about. Now it's time to set our goals for the New Year 2019. I'm believing that we as a group can and will accomplish even greater services for our Legion, Veterans, Children & Youth, and Community.

Let's make it happen!!

## Adjutant's Desk

Here we are embarking on a new year. The Post is under way with getting a new roof and a new ceiling for the Banquet Hall, our membership is going very well we are at over 80% of our goal for 2019 with 374 Members.

There are numerous new things going on in our Lounge such as our King of Hearts game which brings in a lot of new members of which we very much need here at the Post. I want to apologize if I have been late with some of the membership

cards I have been very busy with a sickness in the family. Onward & Upward: The Commander is looking to get a work detail together to remove the old ceiling tiles and rails in the Banquet Hall all you able bodied members we need your help. All in all things are going very well here at the Post, so stop in and see what is going on. Again I want to thank everyone for their thoughts and prayers for The Madam Miss Jewel

veterans during their hospital stay. We have also assisted a Gold Star Family and two veterans in our community. These are just a few examples of many that we are doing within our post in service to veterans.

This is why your involvement is so important to all of us. Without your continuing service, we cannot be successful in helping the men and women still serving and our veterans. We need your ongoing membership to provide comfort and assistance to veterans and their families in our community. If it's not the Legion, who else can assure that the needs of the veterans and their families are represented?

Try to remember why you join The American Legion and what happens when you join the largest veterans organization. When you join The American Legion and The American Legion Family, you're not just going to join to become a distant member!

We're going to know your family.  
We're going to know their names.  
We're going to know when your children graduate.  
We're probably going to be there and have a ceremony for you and your children.

We are your extended American Legion Family. Please help our family grow by recruiting new members and having their families join our family. We are only successful when we work as a team "Stronger Together" (Legion, SAL, UNIT, and ALR)!

Finally, I am here to serve our post and the members of our Legion family. As your Commander, my door is always open. If you have any questions, suggestions, or want to volunteer, please feel free to contact me directly via email at: [commander@aberdeenpost128.org](mailto:commander@aberdeenpost128.org) or cell at (706) 631-0190.

Thank you.

## 1st Vice Commander's Message

Greetings Legionnaires, American Legion Auxiliary (ALA), Sons of the American Legion (SAL), American Legion Riders (ALR), and family members. As your 1<sup>st</sup> Vice Commander for Bernard L. Tobin Post 128, I look forward to the end of year celebrations and working with everyone (Legion, ALA, SAL, and ALR) to continuously improve our post and support our community and the state of Maryland.

We have continued to excel at meeting our 2018-2019 membership goals! As of December 16, we have already met and surpassed the January 11<sup>th</sup> goal! We are at 84.245% and are just 3 short of the February 8<sup>th</sup> goal of 85%. Your continued efforts help ensure we continue to grow our Legion programs and maintain them once they are in place.

Recruiting new members is easy and here are a few tips to help us all recruit. Always be ready with a 2 – 3 minute "elevator pitch" on the importance and benefits of Legion membership. You can also download the Legion app onto your smart phone and you'll be ready to sign up members on the spot. Always keep a few membership applications available. Also have a supply of 'Why You Should Belong', 'Troop Support' pamphlets, and 'This Is The American Legion' for informational/recruitment events.

If you are one of those members who have not renewed your Legion membership, please contact Robert Hanson, Post Adjutant, or renew your membership online at [www.members.legion.org](http://www.members.legion.org). Remember that membership comes with many privileges. As Legion members, we qualify for many discounts with auto rental, financial & insurance, medical, post discounts, retail, travel & lodging, and with moving & relocation. So please, if you haven't already, renew today!

Our post is one of the pillars of our community. Here we teach children to respect the U.S. flag and provide color guards and escorts for funerals and community events. We sponsor Little League baseball, Boy Scout and Cub Scout troops and connect with veterans and their families by providing Temporary Financial Assistance (TFA) in difficult times. We at The American Legion are committed to serving our veterans. Our camaraderie and array of programs are second to none; however, if we don't continue to grow our membership, the Legion's influence will be greatly diminished.

In closing, we can only be successful if we have your support, so please plan on joining us to make American Legion Bernard L. Tobin Post 128 better than ever. If you have any questions or suggestions, feel free to contact me via cell at (443) 992-3502 or email at: [1stvicecommander@aberdeenpost128.org](mailto:1stvicecommander@aberdeenpost128.org)

I look forward to continuing working with all of you in the 2018-2019 Legion Year!

Thank you.

Michael Armijo, 1<sup>st</sup> Vice Commander

# A Word From the Chaplain

## Food for Thought: Serving Others

Colossians 3:17 "And what ever you do, whether word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through Him."

A quote from John Henry Newman: "God has created me to do some definite Service; He has committed some work to me which he has not committed to another. I have a mission! I never may know it in this life but I shall be told in the next life."

Charles Plumb was US Navy jet pilot in Vietnam. After 75 combat missions his plane was shot down and Plumb parachuted into enemy territory becoming a POW. He survived his ordeal, however, and eventually returned home. While eating in a restaurant one day, he was approached by a scruffy looking man who said, "You're Plumb! You flew jet fighters in Vietnam and were shot down." "How did you know that?", asked Plumb. "I 'packed your parachute", the man replied. "I guess it worked." The moral of this story is that you may never know the impact of what you do for others. Again Colossian's 3:17, "Whatever you do, do it as unto the Lord Jesus."

The last 6 months of my life as an Armed Forces Volunteer Chaplain at Upper Chesapeake Hospital I have had the privilege of ministering to 1,400 Veterans. In July I had the privilege to meet and pray with a 97 year old Veteran who landed on D-day at Normandy. I also had the privilege to pray with a 98 year old Veteran who fought at the Battle of the Bulge. Another was the recipient of 4 bronze stars. I have also been able to pin over a 150 Vietnam War Veterans with a Vietnam War Memorial Pin. I feel as though these last 6 months of ministry has been the highlight of my 41 years of ministry. Linda and I can hardly wait to see what the next chapter of our life in ministry will be. We want to wish each and every one of you a very Happy New Year. Let's do all we can to serve others this year.

# Sons of the American Legion

Dear SAL Members of the Bernard L. Tobin Post 128. As of the last meeting of the SAL Squadron 128, the following actions occurred:

1. Shop with a Cop -- On Saturday, December 15, the SAL Squadron assisted the Aberdeen Police Department with their annual "Shop with a Cop" pre-Christmas event. This event

provides under privileged children with a \$125.00 Gift Certificate from Walmart. This year there were 11 children and their parents who participated. The event started off in dramatic fashion. The children were placed into the police cars and driven to he Aberdeen Walmart with sirens blaring a lights flashing. The excitement on the kid's faces was priceless. Once we arrived, it was off to the races. literally. Each child was accompanied by a police officer as they grabbed a cart and headed down the toy isles. Watching these children become so excited and thankful for something that most of us take for granted brought a tear to my eyes. I was genuinely touched by this event. After all of the toys and gifts had been purchased, we returned to the Legion for lunch which was prepared by the Ladies Auxiliary. Thank your Linda, Connie, Janet, and Diane for helping to wrap all of the gifts and prepare the meal. The sound of laughter and the big smiles on the faces of the children gave a resounding feeling of success for this event. I know that I personally am looking towards it next year.

2. The SAL Commander will be getting together with the Post Adjutant Bobby Hanson to investigate the potential for re-establishing American Legion Baseball within the county. Over 50 years ago Legion Baseball was a "big thing" in the county. The competition among the Posts was fierce. Post 128 had one of the better teams and usually were challenged by the Bel Air Legion Post 39 for the supreme rights to be called 'The Champs'. Hopefully, this will once again come to fruition.

3. The Squadron at the last meet in December enrolled a few new members and discussed the idea of having the younger generation of SAL members become more actively involved in the SAL work. This will primarily involve service to the veterans and the community.

4. The next Squadron meeting is scheduled for for Monday, January 9, 2019. The meeting starts at 7:00 PM. Please put it on your calendar and come out and help us be better. Everyone has good ideas. Please share them with us on how we can better perform our duties to the Post.

Sincerely,

Jay Tobin, SAL Commander

# Grand Canyon "Bucket List" Adventure

by 3<sup>rd</sup> Vice Commander Sonny Barnhouse

Many years ago, after seeing the Grand Canyon out of the airplane window, I had always wanted to go back and see it from the ground, "in-person"; it was on my Bucket List. "When I retire, I want to go see the great natural beauty we have right here in America", I said. Well, I retired and many years passed... And, due to the usual reasons, my trip to the Grand Canyon kept getting put off.

For years my daughter (and Auxiliary Unit 128 member), Traci Barnhouse Sheely, saw this happen and decided for my 70<sup>th</sup> birthday, instead of a party, she would help me to cross off one of the main entries from my Bucket List. She would take me to see the Grand Canyon! Not only the Grand Canyon, but also Bryce Canyon, Zion National Park, Sedona Red Rock Canyon, Antelope Canyon, and Horseshoe Bend. There are no words or photos that can capture the natural majestic beauty God put into His works! We did our best with our iPhones, but none of our photos portray the awesome grandeur as it looked in person.

This photo was taken in **Antelope Canyon** where around every corner is another of God's "Works of Art". Antelope Canyon is located in Page, Arizona, just a few miles northeast of the Grand Canyon. This photo is a part of the canyon that is shaped like a heart and was taken with a regular iPhone camera. The shapes and colors are all real – no editing needed.

I want to thank Traci, from the bottom of my heart for taking Dad on this “Once in a Lifetime” trip to the Grand Canyon, and all the other places, and helping me cross one off my Bucket List. It was a trip I will treasure for the rest of my life. We created memories that will last forever and I love her for it! Thank you so much Traci!

This photo was taken at **Bryce Canyon**, Utah. No photo or words can begin to describe the beauty here! Just gorgeous!!

Another photo taken in **Antelope Canyon**. This shot is called the “Candlestick and Flame”. It was also taken with a standard iPhone camera. The shapes and colors are all real – there was no editing done.

# Boy Scout Troop 820's "Court of Honor"

The Boy Scout 'Court of Honor' is a ceremony that must be held at least twice a year to award the scouts for various activities, such as merit badges, community service hours, etc. The larger the troop, the more festive the program. There is also a ceremony at the end of each week at summer camp rewarding individual, patrol, and team accomplishments. The ultimate Court of Honor is the Eagle Court of Honor when the Eagle Scout is pinned.
