COMMANDER'S MESSAGE

Greetings, Bernard L. Tobin Legion Family. Debbie and I hope that you and your family are having a great year thus far and congratulations on helping our post continue to make a difference, within our community. Your dedication has helped not only the post but has also helped the

department to be successful when it comes to helping our fellow veterans and their families.

Bernard L. Tobin Legion Family has the pleasure of hosting this year's National Commander's Banquet on Saturday, March 23rd and Breakfast Sunday, March 24th. If you would like to attend either event, please see the bartenders to purchase your tickets and help us extend our hospitality to everyone.

In the upcoming months, our SAL Squadron will be having a St. Patrick's Dinner/Dance on Saturday, March 16, 2019. Also, in April we will be hosting our annual Bull, Shrimp, and Oyster Roast on Saturday, April 6, 2019. This is a date change from our previous newsletter. I hope that many Post 128 Legion Family members can attend both events as they will be a lot of fun. We are also, looking for volunteers to help make our Bull, Shrimp, and Oyster Roast successful. PRESIDENT'S MESSAGE

Hello ladies,

Brrrr! It's cold! I'm sure we're all looking forward to saying good bye to old man Winter but until we get out of this deep freeze please stay safe and warm.

Just a few things to report since the last newsletter on January the 25th, 5 of our

Legion Family members took the Polar Bear Plunge into the Chesapeake Bay to earn money for Special Olympics. A big thank you to all who donated to this Special Funraiser. Together we raised \$1,320.00. Next year plan to come and join us by taking a plunge into the 38 degree water so we can give even more money to support these special athlete's. Our Legion family also attended the Annual Membership Rally. Even though our Auxiliary didn't receive an award for making 90% we all had a great time. We still have time to meet our goal of 100% so please send in your dues.

We have several upcoming events in April. Saturday April 6 is our annual Oyster and Bull Roast Come and enjoy the fellowship, fun and good food.

Saturday April 13th our Auxiliary will be hosting the North Central District Auxiliary Bingo. For \$25.00 you play 50 games of regular Bingo + Specials & you get a home cooked dinner. Plan on attending. You may leave a big winner.

Again, I'm looking forward to all our ladies working together to support our Veterans, Legion, Children and Youth and the Community in the upcoming months. Remember together we can achieve all our goals.

from the

Adjutant's Desk

Due to extreme circumstances, my message is going to be short this go round. I am reporting that we are at 94% of our 2019 membership goal and our Cmdr. and 1st Vice Cmdr. have been doing a super job on membership this year.

The Post is now doing all the membership on line which speeds up the process greatly. As always if you have not paid or know someone who has not paid their dues please get them

paid so the Post can make goal this Legion Year. Hope everyone is in good health and doing well. Respectfully,

Bob Hanson, Adjutant

Lounge, along with raffle tickets for the Centennial Colt 45 Pistol, a Model 1911. Just see our bartender staff for tickets.

We are continuing to lead the way in serving our veterans and their families. We are engaged in ongoing service to our veterans at Perry Point with our monthly bingos chaired by 2nd Vice Commander John Luque. He, along with volunteers from our Auxiliary Unit and Squadron, help the men and women at Perry Point know they are not forgotten. In addition, our Squadron and members of our Boy Scout Troop 820 recently held a pizza party for the veterans at Perry Point, VA. The work that SAL Commander Jay Tobin, 1st Vice Shawn Day, 3rd Vice Michael Johnson, SGT-at-ARMS Robert Reader, and other members of Squadron 128, including many Auxiliary and Legion members exemplify what giving back to our veterans and community is all about. Our post is also continuing to assist Gold Star Families living in our community. These are just a few examples of many that we are doing within our post in service to veterans.

Your involvement is so important to all of us. Without your continuing service, we cannot be successful in helping the men and women still serving and our veterans. We need your ongoing membership to provide comfort and assistance to veterans and their families. If it's not the Legion, who else can assure that the needs of the veterans and their families are represented?

As I mentioned in our last newsletter, nearly a century ago, The American Legion began with a vision that has withstood the test of time, the vision our founding fathers had of improving the lives of veterans and their families. Our goals are to help in the strengthening of America by fighting for an effective system of defense, building community pride in our national identity and giving young people a foundation for future success. The Founding Fathers had a vision and a goal for having a system that would promote our core military values through the four pillars: Americanism, Veterans and Rehabilitation, National Defense, and Children and Youth.

This is why our National Commander is calling for a Buddy Check the week of March 11-16 to reach out to members and former members who may need help or who are waiting for a personal call or visit. This is not a membership campaign; it is a comradeship campaign. I have asked 1st Vice Commander Michael Armijo to form a committee and contact those members and former members to let them know we are here for them. If you would like to volunteer, please contact Mike and let's reach out to our comrades.

Remember why you joined The American Legion? When you joined The American Legion and The American Legion Family, you did not just join to become a distant member; you joined for the comradeship we had while serving.

We are your extended American Legion Family. Please help our family grow by recruiting new members and having their families join our family. We are only successful when we work as a team "Stronger Together"!

1st Vice Commander's Message

Greetings Legionnaires, American Legion Auxiliary (ALA), Sons of the American Legion (SAL), American Legion Riders (ALR), and family members. As your 1st Vice Commander for Bernard L. Tobin Post 128, I look forward to the Easter celebration and working with everyone (Legion, ALA, SAL, and ALR) to continuously improve our post and support our community and the state of Maryland.

We have continued to excel at meeting our 2018-2019 membership goals! As of February 18, we have already met and surpassed the March 8th goal! We are at 94.091% and are just 4 short of the April 8th goal of 95%. Your continued efforts help ensure we continue to grow our Legion programs and maintain them once they are in place.

Recruiting new members is easy and here are a few tips to help us all recruit. Always be ready with a 2 – 3 minute "elevator pitch" on the importance and benefits of Legion membership. You can also download the Legion app onto your smart phone and you'll be ready to sign up members on the spot. Always keep a few membership applications available. Also have a supply of 'Why You Should Belong', 'Troop Support' pamphlets, and 'This Is The American Legion' for informational/recruitment events.

If you are one of those members who have not renewed your Legion membership, please contact Robert Hanson, Post Adjutant, or renew your membership online at www.members.legion.org. Remember that membership comes with many privileges. As Legion members, we qualify for many discounts with auto rental, financial & insurance, medical, post discounts, retail, travel & lodging, and with moving & relocation. So please, if you haven't already, renew today!

Our post is one of the pillars of our community. Here we teach children to respect the U.S. flag and provide color guards and escorts for funerals and community events. We sponsor Little League baseball, Boy Scout and Cub Scout troops and connect with veterans and their families by providing Temporary Financial Assistance (TFA) in difficult times. We at The American Legion are committed to serving our veterans. Our camaraderie and array of programs are second to none; however, if we don't continue to grow our membership, the Legion's influence will be greatly diminished.

In closing, we can only be successful if we have your support, so please plan on joining us to make American Legion Bernard L. Tobin Post 128 better than ever. If you have any questions or suggestions, feel free to contact me via cell at (443) 992-3502 or email at: 1stvicecommander@aberdeenpost128.org.

I look forward to continuing working with all of you in the 2018-2019 Legion Year!

Thank you.

Michael Armijo, 1st Vice Commander

A Word From the Chaplain

Teach us to number our days, that we may gain a heart of wisdom. Psalm 90:12

"As we trust God to give us wisdom for today, He will lead us a step at a time into what he wants us to be doing in the future." (Theodore Epp)

Some troubles come though we have done nothing to deserve them. And illness.

An accident. A betrayal. And active evil.

But other troubles run our way because we call for them through carelessness, questionable decisions, and sin.

In Psalm 90, David catalogs how hard life can be, how many woes befall us. He would know. He experienced troubles that were not of his own making, but he also experienced heartaches and woe that he brought on himself. No wonder he tells us to live, order, and walk our days in righteousness (verse 12). We are wise to heed the words of one who knows.

Are their thoughts or deeds in your life that are inviting trouble?

God help me to walk with wisdom and righteousness every day of my life. Amen

May god bless you as you reflect on these thoughts.

Representing Post 128 at the Supreme Court in support of the Bladensburg Cross was (from left to right) Post Commander David Heredia, Department Commander David Johnson, and Auxiliary 128 member Deborah Heredia.

Attending the Peace Cross Supreme Court hearing on The American Legion "Peace Cross"

- The Supreme Court to decide fate of 'Peace Cross' memorial in Maryland
- Hundreds of monuments across the country could be impacted
- A 40-foot concrete and granite cross memorializing fallen World War I soldiers is the subject of a case before the U.S. Supreme Court, in a fight over whether such a symbol should be allowed to stand on public land.

The Peace Cross in Bladensburg, Maryland, was erected in 1925 — completed by The American Legion with private donations — to honor 49 local men who died in the war just a few years before. It was the brainchild of a group of Gold Star mothers in remembrance of their fallen sons.

The words "courage," "devotion," "endurance," and "valor" are inscribed on the sides of the cross, and the names of the 49 men are at its base. According to the Washington Post, all of the soldiers memorialized by the Peace Cross were Christian.

The monument is currently owned and maintained by the Maryland-National Capital Park and Planning Commission with taxpayer dollars. In 2014, the American Humanist Association filed a complaint against the commission, arguing that the Peace Cross clearly violates the separation between church and state, and should either be "removed, reshaped, or its ownership reassigned."

A federal judge refused to order the removal of the cross in 2015, saying it was a secular memorial of historic significance. But the 4th Circuit U.S. Court of appeals agreed with the AHA, and determined that the "monolithic Christian cross unconstitutionally endorses Christianity and fosters excessive government entanglement with religion."

If that ruling stands, monuments across the nation could be impacted. In a court filing made on behalf of 109 members of Congress in support of the Peace Cross, attorneys wrote, "The decision below calls into question the constitutionality of countless federal monuments, historic places, and national traditions that use a cross or other 'inherently religious' symbols or language to commemorate our nation's history and to reflect values shared by the American people." Kelly Shackelford, president of the First Liberty Institute, which is spearheading the legal effort to save the cross, told Fox News, "The Supreme Court should honor the way Gold-Star mothers chose to remember the service and sacrifice of their sons who died defending our freedom."

"If this gravestone is bulldozed to the ground, it's only a matter of time before the wrecking ball turns on Arlington National Cemetery and the hundreds of memorials like this one across the country,"

Sons of the American Legion

Dear SAL Members of the Bernard L. Tobin Post 128. As of the last meeting of the SAL Squadron 128, the following actions occurred:

On February 2nd, the SAL Squadron held a Pizza Party for the veterans at Perry Point Hospital. The Squadron was assisted by the Post's Boy Scout Troop 820. Approximately 30 veterans were served pizza and drinks. It was a heartwarming experience for many. The "Vets" were delighted to have visitors and food. The scouts were intrigued by the "war stories" the vets had to tell, all were well satisfied with the success of this effort. Another such event is planned for the future.

The Post Squadron is currently involved in planning a St. Patrick's Day Dinner and Dance on March 16th. Irish delicacies such as corn/beef and cabbage and other menu items are planned. Tickets will be \$10 to \$12 a piece (hasn't been decided as of yet). We are hoping for a great turnout.

There have been some changes in the upper echelon of the Squadron. Due to some resignation, a few positions have been refilled. Shawn Day moves from 2nd Vice Commander to 1st and Mike Johnson replaces him as 2nd Vice. There are two positions that are currently open. They are Squadron Chaplain and Historian respectively. Anyone wishing to be considered for these positions, please contact the Squadron Commander.

Sincerely,

Jay Tobin, SAL Commander
